

Our PlayHouse Preschool and Kindergarten

Scholarship Application

Scholarship Application Information:

We understand that the expense of a quality preschool experience may be a hardship for a family's budget. Therefore, we at OPH are committed to helping eligible families reduce this cost through scholarships. OPH is able to offer partial scholarships, based on income eligibility.

Scholarship Application Process:

1. Scholarship applications are processed confidentially by the administration in the order in which they are received, with priority given to returning OPH families. Full tax returns for the 2016 and 2017 must be submitted with the application to confirm eligibility.
2. New applicants must submit their completed application by January 15th, 2019 by completing and returning the attached application.
3. The administration will review applications, and will notify all applicants of their decisions by February 15th.
4. Applicants who are approved for scholarships will receive a scholarship agreement outlining expectations for tuition payment, at which time they may accept or reject the scholarship. The agreement must be signed and returned to Our PlayHouse Preschool and Kindergarten.

All requests will be considered, but we cannot guarantee that all applicants will receive assistance.

Our PlayHouse Preschool considers all families equally for admission regardless of race, color, creed, national origin, sex, sexual orientation, religion, age, disability or other legally protected status.
